#### **SUMMARY OF THE REASONS FOR DECISION:**

The DVD *Young Devon* is classified as:  
Objectionable.

The DVD *Young Devon* is classified as objectionable as it contains a scene that depicts an activity specified in s3(2) of the Films, Videos, and Publications Classification Act 1993 (FVPC Act). The component whose full title is "Young, Restless, Forbidden Fruit" contains a scene featuring a young woman named Devon who is obviously under 18 years of age. Therefore the publication tends to promote and support the exploitation of young persons for the purpose of sexually titillating adult viewers. If the distributor were able to make excisions in the DVD format an excision would be recommended to remove this scene.

While the classification is a severe restriction on the rights and freedoms set out in s14 of the New Zealand Bill of Rights Act 1990, it is a reasonable and demonstrably justified restriction in this instance to prevent injury to the public good.
